

Course number	Course title	Type	ECTS	Semester	Frequency
940401	Principles and challenges of research in socio-economics, natural resources and life sciences (in Eng.)	VS	4	WS + SS	every semester
875400	Understanding Build.Nature	VO	4	WS 22/23	every second year
875401	Cycle of materials, construction, building and resilience	SE	2	SS 23	every year
914400	Scientific skills: Research design including statistical tools	SE	2	WS 22/23	every year
803404	Scientific skills: Posters, talks, thesis and grant proposals	SE	2	SS 23	every year
874400	Journal club I Build.Nature	SE	1	SS 22	every second year
803405	Journal club II Build.Nature	SE	1	SS 23	every second year
914401	Scientific retreat Build.Nature	SE	3	SS 22	every second year
875402	PhD excursion Build.Nature	EX	4	SS 23	every second year
891406	Doctoral seminar I Build.Nature	SE	1	WS 21/22	every second year
891407	Doctoral seminar II Build.Nature	SE	1	WS 22/23	every second year
813402	Environmental impacts of materials and constructions	VS	4	SS 22	every second year
874401	Building like nature & using nature based materials	VS	2	WS 22/23	every year
734401	Construction logistics	VU	4	SS 23	every second year
914402	Forest resource monitoring with terrestrial laser scanning	VU	4	WS 23/24	every year
891334	Engineered wood products	VO	2	WS	every year
891343	Adhesive technology	VU	2	SS	every year
891338	Wood and fibre quality	VO	2	WS	every year
