

EPiC TLC

# News – September 25

## Dear EPiC TLC Community,

welcome back from your summer breaks!

May you all start into the new semester (doesn't it feel like a new year?) in good spirits. For your inspiration, we have again collected upcoming collaboration-, information- and training-opportunities provided through the EPiC TLC and in the EPICUR alliance. Join us in the international community of teaching and learning and share events and trainings with your friends! On behalf of the entire EPiC TLC team, with best wishes from Freiburg,

*Dorthe Wuk-Nieschhoff & Alisa Hütter-Pape*

## EPiC TLC workshop offer: Teaching and Learning in Intercultural Contexts

Following the very positive evaluation of our pilot training, we want to do it again! Join us online on October 17, 9.00 am-13.00 pm CET to **further your competences in intercultural higher education** contexts together with other educators from across EPICUR.

👉 Secure your spot and register [here](#)\*.

## EPiC TLC training offer: Hybrid Classroom Sessions

Are you preparing to teach in a hybrid setting and looking for practical guidance and didactic inspiration? Join our upcoming training *“International Teaching: Hybrid Classroom Sessions”*, tailored for EPICUR educators with little or no prior experience in hybrid formats.

This flipped-format training focuses on the **didactic challenges and opportunities of hybrid teaching**, offering concrete strategies to support inclusive, well-designed learning scenarios. Based on excellent feedback, the training will again include:

- A **self-paced online phase** (starting 7 November)
- A **live online workshop** (21 November, 10:00–12:00 CET)
- A **transfer task** to develop your own hybrid session concept

👉 Register [here](#)\*. We look forward to learning with you!

# News – September 25

## Transferable skills Training: Teaching Transformational Sustainability Science

Learn about key competencies in sustainability in higher education, methods of transdisciplinary teaching and transformative research and co-design and co-production of knowledge. PhD students and Postdocs are invited to join this training offered in the context of EPICUR's associated partner EUCOR, with five virtual events and two days in co-presence in beautiful Basel, Switzerland!

🔗 Find all the info [here](#). Hurry up, registration ends on September 4<sup>th</sup>.

## Next EPiC EduTalk on 24 Oct: Collaborative Online International Learning (COIL)!

Join us for our next EPiC EduTalk on October 24, 1-2 pm CET to learn, find inspiration and exchange with educators from across the EPICUR alliance! Following great interest in COIL approaches in our last EduTalk, we have something special prepared for you: Katarzyna Radke and Anna Kwaśniewska from the COIL Hub at AMU in Poznan will share approaches, tricks, and tips for Collaborative Online International Learning (COIL) and respective course design.

🔗 Tell your friends, register [here](#)\* and we'll share the meeting link with you shortly before the event.

## Care to share? Let us know what you need!

Whether you are new to the community or have been there from the start, your feedback matters to us! We're delighted to continue developing the EPiC TLC for you.

🔗 Let us know [here](#)\* what offers you benefit from and/or how the EPiC TLC may improve to meet your teaching development needs in 5 ½ questions (1-3 minutes).

\* all direct links lead you to the respective offer on the EPiC TLC once you have logged into the EPiC TLC with your regular university login info: <https://s.kit.edu/epictlc>
